

MATYŠÁK WINE IN A NEW ATTIRE

VÍNO

MATYŠÁK

Dear wine lovers, dear customers!

With the arrival of the new year our company has decided to change design of our wines.

First to change their appearance were the following wine series: VINUM GALÉRIA BOZEN, CHÂTEAU BOZEN AND EXCLUSIVE.

The above-mentioned wine series merged into one: **VINUM GALÉRIA BOZEN.**

Second to change their attire were the longest used labels from the GASTRO line. With a new name **PREDICTION wine** (international labeling of wines with attributes) and a new bottle, while quality and price stays the same, these wines could become an ornament on each wine cart.

Last, but not least, changed wines from our most significant line: SELECTION DE PRESTIGE. Their name was shortened to one word: **PRESTIGE.** Wines featured in this line were appraised by many foreign and domestic medals. These wines will surely intrigue even the most demanding wine lovers.

WE ARE LOOKING FORWARD TO
HEAR YOUR OPINIONS.
